INTRODUCTION

The Public Accounts of the Province of Manitoba are prepared by statutory requirement, in accordance with the Financial Administration Act, which is Chapter F55 of the Continuing Consolidation of the Statutes of Manitoba. The Public Accounts for the fiscal year ended March 31, 2001 consist of four volumes:

Volume 1
- This is included in the government's Annual Report
- Section 1 focuses on the entire reporting entity and includes the Summary Financial Statements of the government.
- Section 2 consists of the special purpose financial statements prepared for the Operating Fund. This section focuses on the government's stewardship over the assets and operations of central government. Performance is related to the legislative authorities provided by the annual appropriation of funds by the Legislature through the Estimates process.

Volume 2
- Contains the audited Schedule of Public Sector Compensation Payments of $50,000 or more as paid through the Consolidated Fund as well as those paid by Special Operating Agencies.
- Contains details of unaudited Consolidated Fund and Special Operating Agencies payments in excess of $5,000 to corporations, firms, individuals, other governments and government agencies.

Volume 3
- Contains the details of the Operating Fund Financial Statements.
- Contains the details of the Operating Fund borrowings and guarantees.
- Contains the details of the Operating Fund revenue and expenditure.
- Contains information provided under Statutory Requirement.
- Contains information concerning certain Operating Fund financial indicators.
- Contains glossary information.

These statements are all unaudited with the exception of the following:
- The Report of Amounts Paid to Members of the Assembly; and
- The Northern Affairs Fund

Volume 4
- Contains the audited financial statements of funds, organizations, agencies and enterprises included in the Government Reporting Entity.

CONTENTS OF VOLUME 2 - SUPPLEMENTARY INFORMATION - Basis of Presentation

(a) **Compensation of $50,000 or More**

(i) This statement lists employees who received compensation in excess of $50,000 during the fiscal year. Amounts reported are calculated in accordance with The Public Sector Compensation Disclosure Act. This Act requires the inclusion of payments and other exceptional benefits not provided to the majority of employees. The amounts therefore do not include payments made or benefits accrued in relation to pension plans.

(ii) Employees are listed under the department or special operating agency that is indicated as the source of funds for the employee's position as at March 31st even though the employee may have been located under other department(s) and/or location(s) during the year.

(iii) This statement includes all compensation for all Members of the Legislature.

(b) Statement of Payments to Corporations, Firms, Individuals, Other Governments and Government Agencies

(i) This statement lists, in alphabetical order within department or special operating agency, each payee whose total payments by that individual department or special operating agency exceeded $5,000 during the fiscal year. Payments are presented on a gross basis to show all amounts disbursed, up to April 27, 2001, which were charged to the 2000-01 fiscal period for the purchase of goods and services, investment and loan transactions, grant payments and refunds as well as payments from amounts held in trust on behalf of others.

(ii) This statement also lists, in alphabetical order within department, vendors from whom departmental purchases, using the Canadian Imperial Bank of Commerce procurement card, exceeded $2,500 during the fiscal year.

(iii) Payments made to suppliers in the United States are presented in U.S. dollars.

(iv) Payments in other currencies are shown in the Canadian dollar equivalent at the time of payment.

(v) The location of the payee is shown except where payment was made to an address in Winnipeg or where the location is implicit in the name of the payee.

AUDITOR'S REPORT

Schedule of Public Sector Compensation Payments of $50,000 or More

To the Legislative Assembly of Manitoba

In accordance with Section 14 of The Provincial Auditor's Act, I have audited the Schedule of Public Sector Compensation Payments of $50,000 or More of the Operating Fund, a component of the Consolidated Fund, for the year ended March 31, 2001. This financial information is the responsibility of the Government of the Province of Manitoba. My responsibility is to express an opinion on this financial information based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information, as well as evaluating the overall presentation of the financial information.

In my opinion, this Schedule presents fairly public sector compensation payments of $50,000 or more of the Operating Fund, a component of the Consolidated Fund for the year ended March 31, 2001, in accordance with the basis of presentation stated in the Introduction to Volume 2 of the Public Accounts.
